Solicitation of Proxies

This Information Circular is furnished in connection with the solicitation of proxies by the management of the Company for use at the Meeting (and at any adjournment thereof) to be held on **Thursday, December 8, 2022**, at the time and place and for the purposes set forth in the accompanying Notice of Meeting.

The Company will bear the expense of this solicitation. It is expected that the solicitation will be made by mail, but regular employees or representatives of the Company (none of whom shall receive any extra compensation for these activities) may also solicit by telephone, email, and in person and arrange for intermediaries to send this Information Circular and the form of proxy to their principals at the expense of the Company.

Record Date

The Company has set the close of business on **November 3, 2022**, as the Record Date for determining which shareholders shall be entitled to receive notice of the Meeting and to vote at the Meeting. Only shareholders of record as of the Record Date shall be entitled to receive notice of the Meeting and to vote at the Meeting.

Appointment of Proxies

The persons named in the form of proxy are designated as proxy holders by management of the Company. **A shareholder wishing to appoint some other person (who need not be a shareholder) to represent him or her at the Meeting may do so either by inserting such person’s name in the blank space provided in the**

form of proxy or by completing another proper form of proxy and, in either case, delivering the completed form of proxy to Computershare Investor Services Inc., 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, not less than 48 hours (excluding Saturdays, Sundays, and holidays) prior to the time of the Meeting unless the Chair elects to exercise his or her discretion to accept proxies received subsequently. Telephone voting can be completed at 1-866-732-VOTE (1-866-732-8683) and internet voting can be completed at www.investorvote.com.

Provisions Relating to Voting of Proxies

The Common Shares represented by proxy will be voted or withheld from voting by the designated proxy holder in accordance with the instructions of the shareholder appointing him or her on any ballot that may be called for and, if the shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly. If there are no instructions provided by the shareholder, those Common Shares will be voted in favour of all proposals set out in this Information Circular. The form of proxy gives the person named in it the discretion to vote as they see fit on any amendments or variations to matters identified in the Notice of Meeting, or any other matters which may properly come before the Meeting. At the time of printing of this Information Circular, the management of the Company knows of no other matters which may come before the Meeting other than those referred to in the Notice of Meeting.

Revocation of Proxies

Any registered shareholder who has returned a form of proxy may revoke it at any time before it has been exercised. In addition to revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing, including a proxy bearing a later date, executed by the registered shareholder or by an attorney authorized in writing or, if the registered shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized.

The instrument revoking the proxy must be deposited at (i) the registered office of the Company, Suite 2600, 595 Burrard Street, Vancouver, British Columbia V7X 1L3, at any time up to and including the last business day preceding the date of the Meeting or any adjournment thereof duly authorized; or (ii) provided at the Meeting to the Chair of the Meeting. Only registered shareholders have the right to revoke a proxy. Non-registered shareholders who wish to change their vote must, at least seven (7) days before the Meeting, arrange for their respective intermediaries to revoke the proxy on their behalf.

Advice to Beneficial Shareholders of Common Shares

A substantial number of shareholders do not hold Common Shares in their own names (“**Beneficial Shareholders**”). You are a Beneficial Shareholder if the Common Shares you own are registered in the name of an intermediary such as a bank, a trust company, a securities broker, a trustee, or other nominee and not in your name. Only proxies deposited by shareholders whose names appear on the records of the Company as the registered holders of Common Shares can be recognized and acted upon at the Meeting. In Canada, the vast majority of such Common Shares are registered in the name of the shareholder’s broker or an agent of that broker like CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). Common Shares held by brokers or their agents or nominees can only be voted upon the instructions of the Beneficial Shareholders. Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate person well in advance of the Meeting.

There are two kinds of Beneficial Shareholders, (i) those who object to their names being made known to the Company, referred to as objecting beneficial owners (“**OBOs**”), and (ii) those who do not object to the Company knowing who they are, referred to as non-objecting beneficial owners (“**NOBOs**”). The Company has distributed copies of the Notice of Meeting and the form of proxy to the clearing agencies and intermediaries for distribution to OBOs and NOBOs.

Applicable regulatory policies require intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders to ensure that their Common Shares are voted at the Meeting.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of the Beneficial Shareholder's broker (or agent of the broker), a Beneficial Shareholder may attend the Meeting as proxy holder for the registered shareholder and vote the Common Shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxy holder for the registered shareholder should enter their own names in the blank space on the form of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting. Alternatively, a Beneficial Shareholder may request in writing that their broker send to the Beneficial Shareholder a legal proxy which would enable the Beneficial Shareholder to attend at the Meeting and vote their Common Shares.

If the Company or its agent has sent these materials directly to you, your name, address, and information about your holding of securities has been obtained in accordance with applicable securities regulatory requirements from the nominee holding on your behalf. By choosing to send the Notice of Meeting, and if applicable, the Meeting Materials to you directly, the Company (and not the nominee holding on your behalf) has assumed responsibility for delivering materials to you and executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions. The Company intends to pay for intermediaries to forward the proxy-related materials and the request for voting instructions made by intermediary to OBOs.

Voting of Common Shares and Exercise of Discretion of Proxies

On any poll, the persons named in the form of proxy provided to registered shareholders will vote the Common Shares in respect of which they are appointed and, where instructions are given by the shareholder in respect of voting for or against any resolutions will do so in accordance with such instructions.

In the absence of any direction in the proxy, it is intended that such Common Shares will be voted in favour of the motions proposed to be made at the Meeting as stated under the headings in this Information Circular.

The form of proxy, when properly signed, confers discretionary authority with respect to amendments or variations to any matters which may properly be brought before the Meeting. At the date of this Information Circular, management of the Company is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting. However, if any other matters, which are not now known to management, should properly come before the Meeting, the proxies hereby solicited will be exercised on such matters in accordance with the best judgment of the proxy holders.

Business of the Meeting

1. Financial Statements

The audited annual financial statements of the Company for the year ended December 31, 2021, and the report of the auditors thereon will be placed before the shareholders at the Meeting.

The audited annual financial statements and management's discussion and analysis of the Company for the year ended December 31, 2021, are available upon request from the Company or they can be found on SEDAR at www.sedar.com or on the Company's website at www.newfoundgold.ca.

2. Election of Directors

The Board has set the number of directors at five. The five nominated Directors have confirmed their willingness to serve on New Found's Board. The term of office of each of the present Directors expires at the Meeting. The nominees proposed for election as directors were recommended to the Board by the Nominating and Corporate Governance Committee of the Board ("NCG Committee").

Shareholders can vote for all of the proposed nominees, vote for some of the proposed nominees and withhold for others, or withhold for all of the proposed nominees. Unless otherwise instructed, the persons named in the form of proxy intend to vote for the election of each of these nominees. Management does not contemplate that any of these nominees will be unable to serve as a director. Each director elected will hold office until the next annual general meeting of the Company or until his successor is elected or appointed, unless his office is earlier vacated in accordance with the articles of incorporation of the Company or with the provisions of the British Columbia *Business Corporations Act*.

Director nominees are:

Douglas Hurst	Collin Kettell
Denis Laviolette	Vijay Mehta
Raymond Threlkeld	

Each of the nominees is well qualified and demonstrates the competencies, character, and commitment that is complementary to New Found's needs and culture and has expressed his willingness to serve on the Board. Further information on each of the nominees can be found under the heading *Director Profiles* starting on page 8.

The Board recommends that the shareholders vote FOR each of the above nominees proposed for election as directors, as disclosed in this Information Circular. Unless instructed in the form of proxy to the contrary, the persons named in the form of proxy intend to vote FOR each of the nominees proposed for election as directors, as disclosed in this Information Circular.

3. Appointment of Auditors

Crowe MacKay LLP has been New Found's independent auditor since October 2020. Upon the recommendation of the Audit Committee, shareholders will be asked to approve the re-appointment of Crowe MacKay LLP as auditor and also to authorize the Board to set the auditor's remuneration. Crowe MacKay LLP conducts the annual audit of New Found's financial statements and provides audit-related, tax, and other services, and reports to the Audit Committee of the Board.

The Board recommends that shareholders vote FOR the appointment of Crowe MacKay LLP as auditors for the Company at a remuneration to be fixed by the Directors, as disclosed in this Information Circular. Unless instructed in the form of proxy to the contrary, the persons named in the form of proxy intend to vote FOR the appointment of Crowe MacKay LLP as auditors for the Company at a remuneration to be fixed by the Directors, as disclosed in this Information Circular.

4. Ratification, Confirmation, and Approval of Amended Stock Option Plan

The Company's stock option plan (the "**Stock Option Plan**") is a key component of the Company's compensation program and is used to attract, motivate, and retain high calibre employees. Please see the description of the Stock Option Plan under the heading *Equity Compensation Plan Information* in this Information Circular for a more detailed description of the Stock Option Plan.

Certain changes and amendments to Policy 4.4 – *Security Based Compensation* (as amended from time to time, the "**New Policy 4.4**") of the TSX Venture Exchange were introduced on November 24, 2021, which set out a new framework for security-based compensation for issuers listed on the TSX Venture Exchange. As a result of the amendments to security-based compensation arrangements introduced pursuant to New Policy 4.4, the Company wishes to amend the Stock Option Plan to: (i) make it compliant therewith and (ii) permit the exercise on a net settlement basis.

The Board approved and recommends shareholders ratify, confirm, and approve the following amendments to the Stock Option Plan (as amended, the "**Amended Plan**"):

1. amendments to bring the Stock Option Plan into compliance with the New Policy 4.4, including amendments to:
 - a. include the definition of Acceleration Event;
 - b. revise the definition of Consultant;
 - c. include the definition of Investor Relations Service Provider;
 - d. revise the vesting requirements for an Investor Relations Service Provider to align with the New Policy 4.4;
 - e. align when disinterested shareholder approval must be obtained with the New Policy 4.4;
2. amendments to permit the exercise on a net settlement basis;
3. certain "housekeeping" amendments, including to integrate the foregoing amendments into the Amended Plan.

A complete copy of the Amended Plan is attached to this Information Circular as Schedule "**B**" and a blackline comparison between the Stock Option Plan and the Amended Plan is attached to this Information Circular as Schedule "**C**".

In accordance with the policies of the TSX Venture Exchange, the approval of the Amended Plan will require disinterested shareholder approval, being the approval of a majority of the votes cast by shareholders at the Meeting excluding Insiders to whom options may be granted and any Associates and Affiliates thereof (as such terms are defined in the policies of the TSX Venture Exchange). An "Insider" includes all directors and senior officers of the Company and its subsidiaries and any person who beneficially owns or controls, directly or indirectly, more than 10% of the issued and outstanding Common Shares; "Associates" includes an individual's spouse, children and any relative who lives in the same residence as such person; and "Affiliates" means a company that is affiliated with another company. As of the date of this Information Circular, "Insiders" and "Associates" and "Affiliates" thereof that are prohibited from voting on the resolution in respect of the Amended Plan hold an aggregate of 87,038,148 Common Shares, representing 51.51% of the issued and outstanding Common Shares of the Company, which Common Shares will be excluded for the purposes of determining whether the Amended Plan is approved.

Resolution to Ratify, Confirm, and Approve the Amended Stock Option Plan

At the Meeting, disinterested shareholders will be asked to consider and, if thought fit, pass an ordinary resolution to ratify, confirm, and approve the Amended Stock Option Plan, as disclosed in this Information Circular, substantially in the following form:

“WHEREAS:

- A. the Company has a Stock Option Plan for Directors, Employees, and Consultants which reserves for the grant of options under the Stock Option Plan up to a maximum of 10% of the issued Common Shares of the Company from time to time; and
- B. on November 3, 2022, the Board of Directors of the Company adopted certain amendments to the Stock Option Plan (the “**Amended Plan**”), as described in the Information Circular and as presented in the final form in Schedule “**B**” to the management Information Circular of the Company dated November 3, 2022.

BE IT RESOLVED THAT the Amended Plan as disclosed in this Information Circular, subject to acceptance by the TSX Venture Exchange, be and is hereby ratified, confirmed, and approved.”

If the Amended Plan is not approved at the Meeting, the foregoing amendments will not be implemented, and the Plan will remain as currently constituted. In addition, the Company will not be permitted to grant further Options (as defined below) until shareholder approval is obtained. However, all options previously granted and unexercised will continue unaffected.

The Board recommends that shareholders vote FOR the resolution to ratify, confirm, and approve the Amended Plan. Unless instructed in the form of proxy to the contrary, the persons named in the form of proxy intend to vote FOR the approval of the resolution to ratify, confirm, and approve the continuation of the Amended Plan.

5. Other Business

At the date of this Information Circular, management of the Company is not aware of any other matters to be presented for action at the Meeting. However, if any other matters which are not now known to management should properly come before the Meeting, the proxies hereby solicited will be exercised on such matters in accordance with the best judgment of the proxy holders.

On December 11, 2015, the BC Securities Commission ordered that Greatbanks cease trading. The order was issued as a result of Greatbank’s failure to file its annual audited financial statements for the year ended July 31, 2015. The statements were filed on March 18, 2016, and the cease-trade order was lifted on March 21, 2016. Greatbanks resumed trading on the TSX Venture Exchange on June 1, 2016. Greatbanks Resources Ltd.’s name was changed to Goldhills Holding Ltd. in September 2019.

Committees of the Board of Directors

As at the date of this Information Circular, there are four committees of the Board (the “Committees”) set out below.

The following table sets out the members of such Committees as at the date of this Information Circular. After the Meeting, the Board shall reconstitute the composition of the Committees.

Name of Committee	Members of Committee
Audit Committee	Douglas Hurst (Chair) Vijay Mehta Raymond Threlkeld
Compensation Committee	Collin Kettell (Chair) Douglas Hurst Vijay Mehta
Nominating and Corporate Governance (“NCG”) Committee	Vijay Mehta (Chair) Collin Kettell Douglas Hurst
Technical Committee	Denis Laviolette (Chair) Douglas Hurst Raymond Threlkeld

Corporate Governance Practices

In consultation with the Board, the NCG Committee establishes and reviews with the Board the appropriate skills and characteristics required of members of the Board, taking into consideration the Board’s short-term needs and long-term succession plans. In addition, the NCG Committee develops, and annually updates, a long-term plan for the Board’s composition, taking into consideration the characteristics of independence, age, skills, experience and availability of service to the Company of its members, as well as opportunities, risks, and strategic direction of the Company. The Company’s corporate governance policies and mandates may be viewed on the Company’s website at: <https://newfoundgold.ca>.

Board of Directors

Independence

On an annual basis, the NCG Committee assists the Board in assessing each director’s independence and reviews the relationship each director has with the Company to determine whether their independence is maintained. When a director has no direct or indirect material relationship with the Company which could interfere with the director’s independent judgment, that director is considered independent. The Board has determined that a majority of the Directors nominated are independent.

Meetings of Independent Directors

The Canadian Securities Administrator’s corporate governance guidance suggests that independent directors hold regularly scheduled meetings at which non-independent directors and members of management are not in attendance. The Directors endeavour to meet in camera without members of management and executive directors at the end of each Board or Committee meeting.

The Audit Committee consists of three independent directors and meets quarterly. A Compensation Committee, and a NCG Committee, consisting of two independent directors, were established in 2020. A Technical Committee consisting of at least one independent director was established in 2021.

Generally, as a matter of practice, directors who have disclosed a material interest in any contract or transaction that the Board is considering will not take part in any Board discussion respecting that contract or transaction. If on occasion such directors do participate in the discussions, they will refrain from voting on any matters relating to matters in which they have disclosed a material interest. In appropriate cases, the Company will establish a special committee of independent directors to review a matter in which directors or officers may have a conflict.

Role of Chair and Lead Director

The Chair, with the assistance of a lead director (the “**Lead Director**”), if one is appointed from time to time, is responsible for the management, development, and effective performance of the Board and leads the Board to ensure that it fulfills its duties to be effective in setting and implementing direction and strategy, and to work closely with the CEO to ensure the strategy agreed by the Board is put into effect. Raymond Threlkeld is the independent Lead Director.

Board Mandate

The full text of the Board Mandate is attached as Schedule “A”.

Position Descriptions

The Board has adopted written position descriptions for its Chair, the Lead Director (if applicable), and the Chair of each of the Committees. The position descriptions are in line with each of the Committee mandates, which are also reviewed and updated from time to time by its members. The Compensation Committee and the CEO have developed a position description for the CEO which has been approved by the Board. The Compensation Committee annually reviews and monitors the achievement of corporate objectives that the CEO is responsible to meet.

Orientation and Continuing Education

Each new director participates in the Company’s initial orientation program and each director participates in the Company’s continuing director development programs.

Ethical Business Conduct

A Code of Business Conduct and Ethics (the “**Code**”) has been adopted by the Board of Directors to summarize the standards of business conduct that guides the Company’s actions. This Code applies to all directors, officers, employees, and consultants of the Company and its subsidiaries. The Company has issued this Code to deter wrongdoing and to promote:

- honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;
- avoidance of conflicts of interest with the interests of the Company, including disclosure to an appropriate person of any material transaction or relationship that reasonably could be expected to give rise to such a conflict;
- confidentiality of corporate information;
- protection and proper use of corporate assets and opportunities;
- compliance with applicable governmental laws, rules and regulations;
- the prompt internal reporting of any violations of this Code to an appropriate person or person identified in the Code; and
- accountability for adherence to the Code.

Board Assessment and Renewal, and Nomination of Directors

The Board undertakes a robust annual assessment process that includes:

- Director reviews conducted through one-on-one conversations between the Chair of the Board and the Chair of the NCG Committee;
- an informal discussion by the Chair with Directors on a selective basis, as required, to fully understand any concerns raised or recommendations advanced by such Director, and the preparation by the Chair of the NCG Committee of a report to, and discussion among, the full Board which includes matters concerning the size of the Board and each Committee of the Board, and whether changes in size, personnel, or responsibilities are warranted;
- a review and discussion of various emerging corporate governance issues and best practices, including those related to Board composition, Director term limits, “overboarding”, and diversity (Board and executive officers); and
- the Board and each Committee of the Board complete an annual review and assessment of its respective mandate or charter to determine if changes are warranted.

The Company does not currently have any term limits, retirement policies, or similar mechanisms in place for the renewal or replacement of its directors.

In considering and identifying new directors for nomination, the NCG Committee will hold a series of meetings to identify the particular skills and qualifications needed of new recruits, having regard to the Company’s business and objectives, as well as the then-existing composition of the Board. Once a list of key attributes, skills, and competencies for a potential new director is identified, the NCG Committee then creates a list of possible candidates for consideration and evaluation, which are then presented to the full Board for further discussion and evaluation. If, and as needed, the NCG Committee may engage internal or external consultants to assist in identifying, evaluating, and/or selecting appropriate Board candidates, including to ensure a diversity of potential candidates are identified. Only after rigorous discussion by the NCG Committee and the Board is a short-list of potential Board candidates created, following which the Board works together with the NCG Committee to develop the best plan to recruit the preferred candidate(s).

In addition, the Board satisfies itself that the Board, its committees, and the individual directors are performing effectively by conducting informal assessments from time to time (including by the Chair of the Board and/or the NCG Committee).

Board Leadership and Diversity

The Company is committed to workplace diversity and fostering a culture of inclusion across all aspects of the Company, its operations, and offices. The Board’s objective is to select the most qualified and highest functioning directors from diverse backgrounds. Board nominees will be chosen based on the abilities, skills, and experience required from time to time, while recognizing that a more diverse Board can result in a more effective Board. The NCG Committee will consider candidates on merit against objective criteria and with due regard for the benefits of diversity in the Board’s composition.

The Company understands the benefits of a diversified work force, including promoting the level of female representation and other types of diversity, and diversity is one of many factors that are used in consideration for hires and promotions. In identifying and considering potential candidates for executive appointments, the Board also considers factors such as years of service, regional background, merit, experience, and qualification. In addition, the relative diversity of the Company’s executive team is also driven by other factors, many of which are outside of the control of the Company, including the level of staff turnover, the candidates that are available with the necessary skills and experiences required to satisfy the Company’s needs, and requirements for the position when hiring and promotion opportunities arise, and various other factors. The Board does not set specific gender representation targets when identifying potential candidates to executive officer positions,

but does consider diversity, and where possible, seeks to ensure a representative list of women is included among the group of prospective candidates for executive positions.

As at November 3, 2022, one of our executive officers is a woman.

Compensation Assessments

The Board determines Director and senior officer compensation by the recommendation of the Compensation Committee. With consultation from the CEO, the Committee is responsible for:

- reviewing and approving corporate goals and objectives relevant to the compensation of the CEO and other executive officers, evaluating the performance of the CEO and the other executive officers in light of those goals and objectives and approving their annual compensation levels, including salaries, bonuses, and stock option grants based on such evaluation; and
- reviewing the compensation of directors for service on the Board and its committees and recommending to the Board the annual Board member compensation package, including retainer, committee member and chair retainers, Board and committee meeting attendance fees, and any other form of compensation, such as stock option grants or stock awards.

While the Board is ultimately responsible for determining all forms of compensation to be awarded to the CEO, other executive officers and directors, the Compensation Committee will, when appropriate, review the Company's compensation philosophy, policies, plans, and guidelines and recommend any changes to the Board.

Other Board Committees

Technical Committee

The purpose of the Technical Committee is to provide assurance to the Board as to the operational performance and operating risks of the Company, regarding those areas where technical understanding is required:

- exploration, permitting, development, execution, construction, operation of mining activities, security, and supply chain management;
- resources and reserves on the Company's mineral resource properties;
- operating and production plans for proposed and existing operating mines;
- project and operations readiness;
- major commercial commitments; and
- ensuring the Company implements best-in-class property development and operating practices.

The charter of the Technical Committee provides that it is responsible for, among other things, the following matters:

Compensation Discussion and Analysis

The following information (the “**Statement of Executive Compensation**”) of the Company is provided in accordance with Form 51-102F6 – Statement of Executive Compensation (“**Form 51-102F6**”). Information contained in this Statement of Executive Compensation is as of December 31, 2021, unless otherwise indicated, and all dollar amounts referenced herein are in Canadian dollars, unless otherwise specified.

Named Executive Officers

The named executive officers (“**NEOs**”) of the Company for the financial year ended December 31, 2021, were Collin Kettell, Executive Chairman and Chief Executive Officer; Craig A. Roberts, Former Chief Executive Officer; Denis Laviolette, President; Michael Kanevsky, Chief Financial Officer; and Greg Matheson, Chief Operating Officer.

On April 14, 2022, Mr. Roberts resigned as CEO and a director of the Company and, in his place, Mr. Kettell was appointed CEO as part of a planned leadership transition. Mr. Roberts continues as a full-time consultant for the Company under the title of Lead Advisor.

Compensation Discussion & Analysis

Compensation Philosophy and Objectives

The objective of the Company’s compensation program is to attract and continue to retain NEOs that have the necessary attributes, experience, skills and competencies that represent the best fit for the Company and to ensure that the compensation for its NEOs is appropriate and aligned with shareholder interests. The Company’s Compensation Committee reviews director and NEO compensation on an annual basis.

The Company’s general philosophy is that compensation for non-executive directors and NEOs plays an important role in achieving short and long-term business objectives that ultimately drive business success and should include a mix of cash (base salary and discretionary annual bonus) and Options with Options being more heavily weighted than base salary and bonuses to better align the interests of management with that of the shareholders of the Company.

Compensation Elements

The compensation of the NEOs consists of three main components: base salary, discretionary annual cash bonuses and long-term incentives, currently in the form of Options. Each element of compensation is a subjective decision by the Board based on recommendations of the Compensation Committee. The following discussion describes the components of compensation and discusses how each component relates to the Company’s overall executive compensation objective.

Base Salary

The Company’s view is that a competitive base salary or consulting fee is a necessary element for attracting and retaining qualified executive officers. The base salary for each executive is established by the Board, on the recommendation of the Compensation Committee, based upon the position held by such executive, competitive market conditions, such executive’s related responsibilities, experience and the NEO’s skill base, the functions performed by such executive and the salary ranges for similar positions. Individual and corporate performance are also taken into account in determining base salary levels for executives. To better align the

interests of management with those of the shareholders of the Company, base salary is less heavily weighted in the Company's overall compensation of NEOs as compared to the other elements of NEO compensation.

Bonuses

In determining to award annual bonuses, including the amounts thereof, the Board uses its discretion and takes into consideration the Company's annual achievements, without assigning any quantifiable weight or factor in respect of any particular achievement or corporate milestone. Bonuses were granted to NEOs in 2021 based on the Compensation Committee's assessment of the Company's performance for the year. The purpose of granting cash bonuses specifically linked to individual and Company wide performance is to ensure management is motivated to work towards the success of the Company.

Long-term Incentives

Long-term incentives for NEOs and directors take the form of Options which are granted under the direction of the Compensation Committee in accordance with the Company's shareholder approved Stock Option Plan. The purpose of granting long-term incentives is to assist the Company in compensating, attracting, retaining and motivating directors, NEOs, employees and consultants and to closely align the personal interests of such persons to that of the Company's shareholders and motivate such individuals to work towards ensuring the long-term success of the Company. The value of Options granted to NEOs is determined on both qualitative and quantitative levels. Changes in executive positions or roles and ongoing contribution to the Company are factors which affect the decision-making process. Outstanding Options and previous grants are reviewed by the Compensation Committee on an annual basis and again when considering new Option grants. The terms of the Stock Option Plan are also reviewed from time to time by the Compensation Committee and changes suggested are discussed with NEOs prior to approval by the Board, then regulatory and shareholder approval as necessary.

Peer Group

While the Board considers amounts paid by other companies in similar industries at similar stages of development in determining compensation, no specifically selected peer group was identified in 2021.

Performance Goals

The Company does not have specific performance goals in respect of an NEOs compensation. Specific compensation recommendations are made to the Board by the Compensation Committee after discussion amongst the members of the Compensation Committee. Each component of compensation and the decisions of the Compensation Committee about each component have an impact on the Committee's decisions regarding other compensation components. All of the compensation components together are intended to meet the Company's compensation objectives, which are intended to allow the Company to attract and retain qualified and experienced executives who are motivated to achieve the Company's business plans, strategies and goals on an annual and long-term basis, in order to increase shareholder value.

Risk Considerations

The Board reviews from time to time and at least once annually, the risks, if any, associated with the Company's compensation policies and practices at such time. Implicit in the Board's Mandate is that the Company's policies and practices respecting compensation, including those applicable to the Company's executives, be designed in a manner which is in the best interests of the Company and its shareholders, and risk implications is one of many considerations which are taken into account in such design.

A significant portion of the Company's executive compensation consists of Options granted under the Stock Option Plan. Such compensation is both "long term" and "at risk" and, accordingly, is directly linked to the achievement of long-term value creation. As the benefits of such compensation, if any, are not realized by the executives until a significant period of time has passed, the ability of executives to take inappropriate or excessive risks that are beneficial to them from the standpoint of their compensation at the expense of the Company and its shareholders is extremely limited.

Due to the relatively small size of the Company, and the current level of the Company’s activity, the Board is able to closely monitor and consider any risks which may be associated with the Company’s compensation policies and practices. Risks, if any, may be identified and mitigated through regular Board meetings, during which financial and other information pertaining to the Company will be reviewed, which review will include executive compensation. No risks have been identified arising from the Company’s compensation policies and practices that are reasonably likely to have a material adverse effect on the Company.

No director, officer or member of senior management are permitted to enter into financial instruments that are designed to hedge or offset any decrease in the market value of the Company’s equity securities that are held directly or indirectly by them or granted as compensation to them. Such prohibited financial instruments include prepaid variable forward contracts, equity swaps, collars, put or call options and similar financial instruments.

Performance Graph

The following graph compares the cumulative shareholder return for C\$100 invested in Common Shares on August 11, 2020 against the cumulative shareholder return for the GDXJ Index for the period beginning August 11, 2020 and ending December 31, 2021, assuming reinvestment of all dividends. The GDXJ is an exchange traded fund (ETF) and is compiled of stocks from small and medium-capitalization companies in the gold and/or silver mining industry. The Company believes tracking its share price against the GDXJ is an appropriate measure of the relative market performance of the Company. The graph also depicts total annual compensation for the NEOs in each particular year since the Company began trading on the TSX Venture Exchange on August 11, 2020.

Comparison of Cumulative Total Returns

The performance graph shows that cumulative shareholder returns for \$100 invested in the Common Shares outperformed the GDXJ index while compensation paid to the Company’s NEOs decreased in 2021 compared to 2020 as a result of a decrease in option-based awards granted during fiscal 2021.

Option-based Awards

The Company has the Stock Option Plan in place for the granting of options to acquire Common Shares (the “Options”) to the directors, officers, employees and consultants of the Company. The purpose of granting such Options is to assist the Company in compensating, attracting, retaining and motivating such persons and to closely align the personal interests of such persons to that of the Company’s shareholders. The allocation of Options under the Stock Option Plan is determined by the Board which, in determining such allocations, considers such factors as previous grants to individuals, overall performance of the Company, share price, the role and performance of the individual in question, the amount of time directed to the Company’s affairs and time expended in serving on the Company’s committees.

For further information, please see under the heading ***Incentive Plan Awards – Stock Option Plan*** below for a summary of the material terms of the Stock Option Plan.

Stock Option Plans and Other Incentive Plans

Stock Option Plans and Other Incentive Plans

Stock Option Plan

The Company’s Stock Option Plan in its current form was last approved by the Company’s shareholders on September 17, 2021. The purpose of the Stock Option Plan is to provide the Company with a share-related mechanism to attract, retain and motivate qualified directors, officers, employees, and consultants, to reward those individuals from time to time for their contributions toward the long-term goals of the Company and to enable and encourage those individuals to acquire Common Shares as long-term investments. The Company is required to obtain shareholder approval of the Stock Option Plan on a yearly basis in accordance with the policies of the TSX Venture Exchange.

The New Policy 4.4 was introduced on November 24, 2021, which set out a new framework for security-based compensation for issuers listed on the TSX Venture Exchange. As a result of the amendments to security-based compensation arrangements introduced pursuant to New Policy 4.4, the Company wishes to amend the Stock Option Plan to: (i) make it compliant therewith; (ii) permit the exercise on a net settlement basis; and (iii) certain “housekeeping” amendments.

As at the date hereof, there are 10,615,750 Options issued and outstanding, with 6,278,543 remaining available for issuance under the Stock Option Plan. The general terms and conditions of the Amended Plan are reflected in the disclosure below.

Administration

The Amended Plan is administered by the Board, or such director or other senior officer or employee of the Company as may be designated as administrator by the Board. The Board or such committee may make, amend and repeal at any time, and from time to time, such regulations not inconsistent with the Amended Plan.

Number of Common Shares

The maximum number of Common Shares issuable under the Amended Plan shall not exceed 10% of the number of Common Shares issued and

outstanding as of each the date on which the Board grants the Option (the “**Award Date**”). The number of Common Shares underlying Options that have been cancelled, that have expired without being exercised in full, and that have been issued upon exercise of Options shall not reduce the number of Common Shares issuable under the Amended Plan and shall again be available for issuance thereunder.

Securities Each Option entitles the holder thereof (an “**Option Holder**”) to purchase one Common Share at an exercise price determined by the Board.

Participation Any director, senior officer, management company, employee, or consultant of the Company (including any subsidiary of the Company), as the Board may determine.

Exercise Price The exercise price of an Option will be determined by the Board in its sole discretion, provided that the exercise price will not be less than the Discounted Market Price (as defined in the policies of the TSXV) (or, if the Common Shares are not listed for trading on the TSXV, then the permissible discounted market price on such exchange or quotation system on which the Common Shares are then listed or quoted for trading) or such other price as may be required or permitted by the TSXV from time to time.

The Board may, at the time an Option is awarded or upon renegotiation of the same, attach restrictions relating to the exercise of the Option, including vesting provisions. Any such restrictions shall be recorded in the applicable written agreement between the Company and an Option Holder giving effect to an award of Options.

Term of the Option The exercise period of an Option will be the period from and including the Award Date through to and including the expiry date that will be determined by the Board at the time of grant (the “**Expiry Date**”), provided that the Expiry Date of an Option will be no later than the tenth anniversary of the Award Date of the Option, provided that such date does not fall within a Blackout Period (as defined in the Amended Plan).

Net Exercise Other than for an Option Holder who is a provider of Investor Relations Activities, in lieu of paying the aggregate Exercise Price to purchase Common Shares and subject to the provisions of the Amended Plan and, upon prior approval of the Board or an Administrator on the instructions of the Board or such committee of the Board formed in respect of matters relating to the Plan, in their sole and absolute discretion, once an Option has vested and become exercisable an Option Holder may elect, in lieu of exercising such Option, to surrender such Option in exchange for the issuance of the number of Common Shares equal to the number determined by dividing (a) the difference between the Fair Market Value (calculated as at the date of settlement) and the Exercise Price of such Option by (b) the Fair Market Value (calculated as at the date of settlement).

Cessation of Employment Subject to certain limitations, in the event that an Option Holder ceases employment with the Company, other than by reason of death, the Expiry Date of the Option will be 90 days after the date which the Option Holder

ceases employment (the “**Termination Date**”), unless the Option Holder is terminated for cause, in which case the Expiry Date will be the Termination Date, or such longer period (up to a maximum of 12 months) or shorter period as determined by the Board.

In the event that an Option Holder should die while he or she is still director, senior officer, management company, employee or consultant of the Company, the Expiry Date will be 12 months from the date of death of the Option Holder.

Subject to certain limitations, any unvested Option which vests on or after the Termination Date (or date of death, if applicable) but prior to the Expiry Date, will be exercisable by the Option Holder until the Expiry Date. Any unvested Option held by an Option Holder who ceases employment as a result of termination for cause or resignation, will not vest and will terminate as of the Termination Date.

In the event that the Option Holder holds his or her Option as an employee or consultant retained by the Company to provide Investor Relations Activities (as defined in the TSXV’s Corporate Finance Manual) and ceases to be an employee or consultant of the Company other than by reason of death, the Expiry Date will be the date such Option Holder ceases to be an employee or consultant of the Company.

Acceleration Events

If the Company seeks shareholder approval for a transaction which would constitute an Acceleration Event (as defined in the Amended Plan) or third party makes a bona fide formal offer to the Company or its shareholders which would constitute an Acceleration Event, the Board may (i) permit the Option Holders to exercise their Options, as to all or any of such Options that have not previously been exercised (regardless of any vesting restrictions), but in no event later than the Expiry Date of the Option, so that the Option Holders may participate in such transaction; and (ii) require the acceleration of the time for the exercise of the Options and of the time for the fulfilment of any conditions or restrictions on such exercise.

Notwithstanding any other provision of the Amended Plan or the terms of any Option, other than Options issued to an Investor Relations Services Provider, if at any time when Options remains unexercised and the Company completes any transaction which constitutes an Acceleration Event, all outstanding unvested Options will automatically vest.

Any adjustment to an Option, other than in connection with a security consolidation or security split, including adjustments related to an amalgamation, merger, arrangement, reorganization, spin-off, dividend or recapitalization, or proposed acceleration of vesting provisions issued to Investor Related Service Provider, is subject to the policies and necessary approvals of the TSXV, if applicable.

Limitations

The maximum number of Common Shares which may be issuable, at any time, to Insiders (as defined in the Amended Plan) under the Amended Plan, together with any other share-based compensation arrangements of the Company, will be 10% of the total number of Common Shares issued and outstanding. The maximum number of Common Shares which may be issued, within any one-year period, to Insiders under the Amended

Plan, together with any other share-based compensation arrangements of the Company, will be 10% of the total number of Common Shares issued and outstanding. The maximum number of Common Shares awarded to any one individual in any twelve-month period will not exceed 5% of the issued and outstanding Common Shares of the Company at the Award Date unless the Company has obtained disinterested shareholder approval as required by the TSXV.

The maximum number of Common Shares awarded to any one consultant of the Company in any twelve-month period will not exceed 2% of the issued and outstanding Common Shares of the Company at the Award Date unless consent is obtained from the TSXV.

The maximum number of Common Shares awarded to all persons retained by the Company to provide Investor Relations Activities will not exceed 2% of the issued and outstanding Common Shares of the Company, in any twelve-month period, calculated at the Award Date unless consent is obtained from the TSXV. Options granted to persons retained to provide Investor Relations Activities must vest in stages over a period of not less than twelve months from the Award Date, such that (i) no more than one quarter of the Options vest no sooner than three months after the Award Date; (ii) no more than another one quarter of the Options vest no sooner than six months after the Award Date; (iii) no more than another one quarter of the Options vest no sooner than nine months after the Award Date; and (iv) the remainder of the Options vest no sooner than twelve months after the Award Date.

Amendments

Subject to certain exceptions and any applicable regulatory approval, the Board may amend the Amended Plan and the terms and conditions of any Option previously awarded or thereafter to be awarded for the purpose of complying with any changes in any relevant law, TSXV policy, rule or regulation applicable to the Amended Plan, any Option or the Common Shares, or for any other purpose which the Board may deem desirable or necessary and may be permitted by all relevant laws, rules and regulations, provided that any such amendment will not materially impair any right of any Option Holder pursuant to any Option awarded prior to such amendment.

The Board may only amend the provisions of the Amended Plan relating to the following if the Board obtains the approval of the shareholders of the Company: (i) persons eligible to be granted Options or issued Common Shares under the Amended Plan; (ii) the maximum number or percentage of Common Shares issuable upon exercise of Options available under the Amended Plan; (iii) the limitations on grants of Options to any one person, Insiders, consultants, or persons involved in Investor Relations Activities; (iv) the method for determining the exercise price for Options; (v) the maximum term of Options; (vi) the expiry and termination provisions applicable to Options, including the additional of a Blackout Period (as defined in the Amended Plan); (vii) the addition or deletion of a net exercise provision or (viii) amendments to the amendment provisions of the Amended Plan.

Disinterested shareholders of the Company must approve any amendment to Options held by an Insider at the time of the amendment that would

have the effect of decreasing the exercise price or the extension of the term of such Options.

Termination

The Board may terminate the Amended Plan any time provided that such termination shall not alter the terms or conditions of any Option or impair any right of any Option Holder pursuant to any Option awarded prior to the date of such termination and notwithstanding such termination, the Company, such Options and such Option Holders shall continue to be governed by the provisions of the Amended Plan.

The maximum number of Shares which may be issuable, to any one Consultant of the Company in any twelve-month period shall not exceed 2% of the issued and outstanding Shares of the Company at the Award Date or Share Issuance Date unless consent is obtained from the Exchange.

The maximum number of Shares which may be issuable to all persons retained by the Company to provide Investor Relations Activities shall not exceed 2% of the issued and outstanding Shares of the Company, in any twelve-month period, calculated at the Award Date unless consent is obtained from the Exchange. Options granted to persons retained to provide Investor Relations Activities must vest in stages over a period of not less than 12 months from the Award Date, such that: (i) no more than one quarter of the Options vest no sooner than three months after the Award Date; (ii) no more than another one quarter of the Options vest no sooner than six months after the Award Date; (iii) no more than another one quarter of the Options vest no sooner than nine months after the Award Date; and (iv) the remainder of the Options vest no sooner than 12 months after the Award Date.

3.6 TERMINATION OF OPTION

An Option Holder may exercise an Option, in whole or in part, at any time and from time to time during the Exercise Period, provided that, with respect to the exercise of part of an Option, the Board may at any time and from time to time fix limits, vesting requirements or restrictions in respect of which an Option Holder may exercise part of any Option held by the Option Holder. Any Option or part thereof not exercised within the Exercise Period shall terminate and become null, void and of no further force and effect as of 5:00 p.m. (Vancouver time) on the Expiry Date. Unless otherwise determined by the Board (but subject to the ten-year limit set forth in section 3.3), the Expiry Date of an Option shall be the earlier of the date so fixed by the Board on the Award Date referred to in section 3.3 above, and the date established, if applicable, in subsections (a) and (b) below.

- (a) Death. In the event that an Option Holder should die while he or she is still a Director, Employee or Consultant, as the case may be, the Expiry Date shall be 12 months from the date of death of the Option Holder.
- (b) Cessation of Service or Employment. In the event that an Option Holder ceases to be a Director, Employee or Consultant of the Company other than by reason of death, the Expiry Date of the Option shall be the 90th day following the date the Option Holder ceases to be a Director, Employee or Consultant (such date that the Option Holder ceases to be a Director, Employee or Consultant, the “**Termination Date**”), unless the Option Holder ceases to be such as a result of termination for cause, in which case the Expiry Date shall be the Termination Date, or such longer period (up to a maximum of 12 months) or shorter period as determined by the Board.

For the purposes of this section 3.6, the date on which an Option Holder ceases to be a Director, Employee or Consultant, as the case may be, is deemed to be the date of resignation or notice of termination of the Option Holder’s service or employment, as the case may be. Furthermore, an unvested Option (or any portion thereof) which vests on or after the Termination Date (or date of death, if applicable) but prior to the Expiry Date, in the circumstances set forth in clauses (a) and (b) above, other than as a result of termination for cause or resignation, shall be exercisable by the Option Holder (or the Option Holder’s Personal Representative, in the event of the death of the Option Holder) until the Expiry Date. An unvested Option (or any portion thereof) held by an Option Holder who ceases to be a Director, Employee or Consultant, as the case may be, as a result of termination for cause or resignation, shall cease to vest and shall terminate and be of no further force and effect as at the Termination Date.

- (c) Ceasing to Perform Investor Relations Activities. Notwithstanding paragraph (b) immediately above, in the event that the Option Holder holds his or her Option as an Employee or Consultant retained by the Company to provide Investor Relations Activities, and such Option Holder ceases to be an Employee or Consultant of the Company other than by reason of death,

the Expiry Date shall be the date such Option Holder ceases to be an Employee or Consultant of the Company.

For greater certainty, this section 3.6 shall still apply in the event of that the Option Holder dies or ceases to otherwise be a Director, Employee or Consultant, as the case may be.

3.7 EXERCISE PRICE

The Exercise Price shall be that price per Share, as determined by the Board in its sole discretion, at which an Option Holder may purchase a Share upon the exercise of an Option, provided that, if the Shares are listed for trading on the Exchange, the Exercise Price shall not be less than Discounted Market Price (or, if the Shares are not listed for trading on the Exchange, then the permissible discounted market price on such other exchange or quotation system on which the Shares are then listed or quoted for trading) or such other price as may be required or permitted by the Exchange from time to time. If the Shares are listed on the Exchange and on one or more other exchanges, the Exercise Price must be calculated based upon the applicable closing price or average price of the Shares, as applicable, on the exchange on which the majority of the trading volume of the Shares occurs, subject to the policies of the Exchange.

3.8 ASSIGNMENT OF OPTIONS

Options may not be assigned or transferred, provided however that the Personal Representatives of an Option Holder may, to the extent permitted by section 4.1, exercise the Option within the Exercise Period.

3.9 ADJUSTMENTS AND CHANGE OF CONTROL

- (a) If at any time while an Option remains unexercised with respect to any Shares underlying the Option, the Shares are consolidated, subdivided, converted, exchanged, reclassified or in any way substituted for (any of the foregoing events, a “**Share Capital Event**”), the Option, to the extent that it has not been exercised, shall be adjusted by the Board in accordance with such Share Capital Event in the manner the Board in its sole discretion deems appropriate. No fractional shares shall be issued upon the exercise of the Options and accordingly, if as a result of the Share Capital Event, an Option Holder would become entitled to a fractional share, such Option Holder shall have the right to purchase only the next lowest whole number of shares and no payment or other adjustment will be made with respect to the fractional interest so disregarded. Additionally, no lots of Shares in an amount less than 100 Shares shall be issued upon the exercise of the Options unless such amount of Shares represents the balance left to be exercised under the Options.
- (b) If at any time when an Option remains unexercised with respect to any Shares underlying the Option:
 - (i) the Company seeks approval from its shareholders for a transaction which, if completed, would constitute an Acceleration Event; or
 - (ii) a third party makes a bona fide formal offer or proposal to the Company or its shareholders which, if accepted, would constitute an Acceleration Event;

the Company shall notify the Option Holder in writing of such transaction, offer or proposal as soon as practicable and: (i) the Board may permit the Option Holder to exercise the Option, as to all or any of the Shares in respect of which such Option has not previously been exercised (regardless of any vesting restrictions), during the period specified in the notice (but in no event later than the Expiry Date of the Option), so that the Option Holder may participate in

such transaction, offer or proposal; and (ii) the Board may require the acceleration of the time for the exercise of the Option and of the time for the fulfilment of any conditions or restrictions on such exercise. Any proposed acceleration of vesting provisions is subject to the policies and necessary approvals of the Exchange, if applicable.

For the purposes of this Plan, an Acceleration Event means:

- (i) the acquisition by any person or any persons acting jointly or in concert, directly or indirectly, of beneficial ownership of more than 50% of the outstanding voting securities of the Company, by means of a take-over bid or otherwise;
 - (ii) any plan of arrangement, amalgamation, consolidation, merger or other business combination of the Company in which the Company is not the continuing or surviving corporation or pursuant to which shares of the Company would be converted into cash, securities or other property, other than a merger of the Company in which shareholders immediately prior to the merger have the same proportionate ownership of stock of the surviving corporation immediately after the merger;
 - (iii) any sale, lease exchange or other transfer (in one transaction or a series of related transactions) of all or substantially all of the assets of the Company;
 - (iv) the approval by the shareholders of the Company of any plan of liquidation or dissolution of the Company; or
 - (v) any other transaction that is deemed to be an “Acceleration Event” for the purposes of this Plan by the Board in its sole discretion.
- (c) Notwithstanding any other provision of this Plan or the terms of any Option, other than Options issued to an Investor Relations Service Provider, if at any time when an Option remains unexercised with respect to any Shares underlying the Option the Company completes any transaction which constitutes an Acceleration Event, all outstanding unvested Options shall automatically vest. Any adjustment to an Option, other than in connection with a security consolidation or security split, including adjustments related to an amalgamation, merger, arrangement, reorganization, spin-off, dividend or recapitalization, or acceleration of the vesting provisions of Options issued to any Investor Relations Service Provider, will be subject to prior Exchange acceptance.

3.10 EXERCISE RESTRICTIONS

The Board may, at the time an Option is awarded or upon renegotiation of the same, attach restrictions relating to the exercise of the Option, including vesting provisions. Any such restrictions shall be recorded in the applicable Option Agreement.

ARTICLE IV EXERCISE OF OPTION

4.1 EXERCISE OF OPTION

An Option may be exercised only by the Option Holder or Personal Representative. An Option Holder or Personal Representative may exercise an Option in whole or in part, subject to any applicable exercise restrictions, at any time or from time to time during the Exercise Period up to 5:00 p.m. (Vancouver time) on the Expiry Date by delivering to the Administrator an Exercise Notice, the applicable Option Agreement and a

certified cheque or bank draft payable to the Company in an amount equal to the aggregate Exercise Price of the Shares to be purchased pursuant to the exercise of the Option.

4.2 NET EXERCISE

Other than for an Option Holder who is a provider of Investor Relations Activities, in lieu of paying the aggregate Exercise Price to purchase Shares and subject to the provisions of the Plan and, upon prior approval of the Board or an Administrator on the instructions of the Board or such committee of the Board formed in respect of matters relating to the Plan, in their sole and absolute discretion, once an Option has vested and become exercisable an Option Holder may elect, in lieu of exercising such Option, to surrender such Option in exchange for the issuance of the number of Shares equal to the number determined by dividing (a) the difference between the Fair Market Value (calculated as at the date of settlement) and the Exercise Price of such Option by (b) the Fair Market Value (calculated as at the date of settlement).

An Option may be surrendered and disposed of pursuant to this Section 4.2 from time to time by delivery to the Company at its principal place of business: (a) an Exercise Notice specifying that the Option Holder has elected to effect such a net settlement of such Option and the number of Options to be exercised and (b) the payment of an amount for any tax withholding or remittance obligations of the Option Holder or the Company arising under applicable securities laws (or by entering into some other arrangement acceptable to the Company). The Company will not be required, upon the net settlement of any Options pursuant to this Section 4.2, to issue fractions of Shares or to distribute certificates which evidence fractional Shares. In the event the number of Shares to be issued upon the net settlement of an Option is a fraction, the Option Holder will receive the next lowest whole number of Shares and will not receive any other form of compensation (cash or otherwise) for the fractional interest.

4.3 ISSUE OF SHARE CERTIFICATES

As soon as practicable following the receipt of the Exercise Notice, the Administrator shall cause to be delivered to the Option Holder a certificate for the Shares so purchased (the “**Share Issuance Date**”). If the number of Shares so purchased is less than the number of Shares subject to the option certificate in the form as set out in Schedule A (the “**Option Certificate**”) surrendered, the Administrator shall forward a new Option Certificate to the Option Holder concurrently with delivery of the aforesaid share certificate for the balance of the Shares available under the Option.

4.4 CONDITION OF ISSUE

The issue of Shares by the Company pursuant to the exercise of an Option is subject to this Plan and compliance with the laws, rules and regulations of all regulatory bodies applicable to the issuance and distribution of such Shares and to the listing requirements of any stock exchange or exchanges on which the Shares may be listed. The Option Holder agrees to comply with all such laws, rules and regulations and agrees to furnish to the Company any information, report and/or undertakings required to comply with and to fully cooperate with the Company in complying with such laws, rules and regulations. The Company shall not be required to issue any Shares to an Option Holder pursuant to the exercise of Options if such issuance would violate the securities laws of any applicable jurisdiction.

ARTICLE V ADMINISTRATION

5.1 ADMINISTRATION

The Plan shall be administered by the Board, or an Administrator on the instructions of the Board or such committee of the Board formed in respect of matters relating to the Plan. The Board or such committee may

make, amend and repeal at any time and from time to time such regulations not inconsistent with this Plan as it may deem necessary or advisable for the proper administration and operation of this Plan and such regulations shall form part of this Plan. The Board may delegate to the Administrator or any Director, Employee or officer of the Company such administrative duties and powers as it may see fit.

5.2 WITHHOLDING TAXES

Subject to the policies of the Exchange, notwithstanding anything else in this Plan, the Company may take such steps as are considered necessary or appropriate for the withholding of any taxes which the Company is required by any law or regulation of any governmental authority whatsoever to withhold in connection with the exercise of an Option including, without limiting the generality of the foregoing, the withholding of all or any portion of any payment or the withholding of the issue of Shares to be issued under the Plan, until such time as the Option Holder has paid the Company for any amount which the Company is required to withhold with respect to such taxes or other amounts. Without limitation to the foregoing, the Board may adopt administrative rules under the Plan which provide for the sale of Shares (or a portion thereof) in the market upon the issuance of such Shares under the provisions of the Plan to satisfy withholding obligations under the Plan.

5.3 INTERPRETATION

The interpretation by the Board or its authorized committee of any of the provisions of this Plan and any determination by it pursuant thereto shall be final and conclusive and shall not be subject to any dispute by any Option Holder. No member of the Board or any person acting pursuant to authority delegated by the Board hereunder shall be liable for any action or determination in connection with this Plan made or taken in good faith and each member of the Board and each such person shall be entitled to indemnification with respect to any such action or determination in the manner provided for by the Company.

ARTICLE VI AMENDMENT AND TERMINATION

6.1 AMENDMENT

- (a) Subject to paragraphs (b) and (c) and any applicable regulatory approval, the Board may from time to time amend this Plan and the terms and conditions of any Option previously awarded or thereafter to be awarded and, without limiting the generality of the foregoing, may make such amendments for the purpose of complying with any changes in any relevant law, Exchange policy, rule or regulation applicable to this Plan, any Option or the Shares, or for any other purpose which the Board may deem desirable or necessary and may be permitted by all relevant laws, rules and regulations, provided always that any such amendment shall not materially impair any right of any Option Holder pursuant to any Option awarded prior to such amendment.
- (b) Notwithstanding any provisions to the contrary, the Board may only amend the provisions of this Plan relating to the following if the Board obtains the approval of the shareholders of the Company in respect thereof:
 - (i) persons eligible to be granted Options or issued Shares under this Plan;
 - (ii) the maximum number or percentage of Shares issuable upon exercise of Options available under this Plan;

- (iii) the limitations on grants of Options to any one person, Insiders, Consultants, or persons involved in Investor Relations Activities;

 - (vi) the expiry and termination provisions applicable to Options, including the addition of a Blackout Period;
 - (vii) the addition or deletion of a net exercise provision;
 - (viii) any amendment to this section 6.1.
- (c) Disinterested shareholders of the Company must approve any amendment to Options held by an Insider at the time of the amendment that would have the effect of decreasing the Exercise Price or the extension of the term of such Options.

6.2 SHAREHOLDER APPROVAL

This Plan must be approved by the Company's shareholders annually, at a duly called meeting of the shareholders.

6.3 EXCHANGE HOLD PERIODS AND RESALE RESTRICTIONS

If required by the policies of the Exchange, the certificate representing the Options and any certificate representing Shares issued upon the exercise of such Options (if exercised prior to the expiry of the Exchange Hold Period) will bear the following Exchange Hold Period legend:

“Without prior written approval of TSX Venture Exchange and compliance with all applicable securities legislation, the securities represented by this certificate may not be sold, transferred, hypothecated or otherwise traded on or through the facilities of TSX Venture Exchange or otherwise in Canada or to or for the benefit of a Canadian resident until [*insert date that is four months and a day after the distribution date*].”

6.4 TERMINATION

The Board may terminate this Plan at any time provided that such termination shall not alter the terms or conditions of any Option or impair any right of any Option Holder pursuant to any Option awarded prior to the date of such termination and notwithstanding such termination, the Company, such Options and such Option Holders shall continue to be governed by the provisions of this Plan.

6.5 AGREEMENT

The Company and every person to whom an Option is awarded hereunder shall be bound by and subject to the terms and conditions of this Plan.
